#### Description:

When I found you, you were small and trembling, and I thought you might be a little bunny. I held you close so you were warm. The world can seem like a big, bewildering place for new babies--but fortunately their mamas know just how to sooth and comfort them. This beautiful text celebrates the many ways a child is made to feel at home in the world. Through enchanting scenes portraying all kinds of mama animals caring for their little ones, the mother in this story reassures her baby, and young children everywhere, that their caretakers will always love them and keep them safe. The apt comparisons to baby animals and their mothers makes for a book that's both playfully sweet and visually captivating.
