#### Selling Points:

Driftwood Harbour may seem like an ordinarily boring, small New England town, but there's something extremely strange and downright creepy happening within town limits.

#### Description:

Twins Beacon and Everleigh McCullough are moving from their home in sunny LA to Driftwood Harbour, a rainy fishing village in New England. If that wasn't bad enough, there's something strange about this town and the mysterious group of too-perfect students called The Gold Stars. After Everleigh is recruited into their ranks, Beacon must uncover Driftwood Harbor's frightening secret before he loses his sister forever.
