Description:

Prentice Alvin Young Alvin returns to the town of his birth, and begins his apprenticeship with Makepeace Smith, committing seven years of his life in exchange for the skills and knowledge of a blacksmith. But Alvin must also learn to control and use his own talent, that of a Maker, else his destiny will be unfulfilled. Alvin Journeyman Alvin is a Maker, the first to be born in a century. Now a grown man and a journeyman smith, Alvin has returned to his family in the town of Vigor Church. He will share in their isolation, work as a blacksmith, and try to teach anyone who wishes to learn the knack of being a Maker. For Alvin has had a vision of the Crystal City he will build, and he knows that he cannot build it alone. But he has left behind in Hatrack River enemies as well as true friends. His ancient foe, the Unmaker, whose cruel whispers and deadly plots have threatened Alvin's life at every turn, has found new hands to do his work of destruction.
