Two ordinary objects turned a pair of brothers into superheroes. Now they must fight evil right in their own neighbourhood in the second volume of this graphic novel trilogy for fans of Amulet.

Description:

When Tuck and Hudson return from their first adventure as the superheroes Stretch and Brella, they're still reeling from the shock of their newfound powers. But there's no time to slow down. Trench, a supervillain whose powers came from the very same garage sale where Tuck and Hudson found their magic scarves and umbrella, lives right in their neighbourhood and he's out to get the brother superhero duo. With help from their squirrel companion, Steen, and another newly minted superhero, a neighbourhood girl named Elvira, the brothers keep fighting the good fight, with plenty of action along the way.
