Selling Points:

From the internationally best-selling author of SARAH'S KEY comes an irreverent yet heartfelt collection that examines our most intimate and forbidden desires "Before she goes, she removes her wedding ring, and places it delicately on the hood of the car, without a word."

Description:

Does a fruit taste its sweetest when it is forbidden? Is that which is prohibited always the most pleasurable? In this passionate and perceptive collection, Tatiana de Rosnay paints a portrait of the most forbidden of loves, in many different shades—sometimes tragic, sometimes humorous, sometimes heartfelt, always with a dry wit and an unflinching authenticity. A PARIS AFFAIR is an enjoyable "undressing" of intimate delights, where laughter mingles with compassion and the heartbeats of illicit desire.
