A handsome wheelchair rugby player shows a former cyber bully that everyone deserves a second chance, in this swoonworthy new novel from the author of *How to Say I Love You Out Loud*.

Description:

The party was at her house. The photos were posted to her Facebook account. That's all the evidence anyone needed to condemn Nikki Baylor for a cyber bullying incident that humiliated a classmate and nearly resulted in the girl's suicide. Now Nikki's been expelled from her school, her friends have abandoned her, and even her own parents can't look her in the eye. With her plans for the future all but destroyed, Nikki resigns herself to being the girl everyone hates - almost as much as she hates herself. But then Nikki meets Pax, a spirited wheelchair rugby player who knows what it's like when one mistake completely shatters your life. Refusing to judge her because of her past, he shows her that everyone deserves a second chance . . . and everyone deserves to be loved.
