There comes a time in every man's life where he has to step away from the microwave. With the help of Avi's man-centric recipes, techniques and commentary, you'll build confidence in the kitchen—and you'll have some pretty amazing meals to show for it. Recipes are geared toward goals like cooking the perfect burger, using leftovers to make a gourmet meal that'll wow your family, impressing a date, saving money, feeding the guys on game day, and most importantly, just flat out making an easy, hardy meal you can sit down and enjoy alone.
