Make gorgeous paper flowers by hand to use around your home or for your wedding!

Description:

Keep spring blossoming year round with Rachael Baldwin's Breathtaking Paper Flowers by Hand. Rachael's designs are truly masterpieces with flowers looking so real, they could fool any discerning eye. Rachael's method for creating flowers is easy and creates a beautiful result. The flowers can be arranged to decorate your home or for your wedding. You'll never have to worry about watering or maintenance, and you won't have to worry about cracking or discolouration, common qualms with dried flowers. Types of flowers in this book include The Icelandic Poppy, The Anemone and The Classic Peony. You'll also learn to make your own patterns, place settings and flower crowns. Follow Rachael and her guide to easy, beautiful flowers for a colourful home year round!
