#### Selling Points:

In the first volume of this new middle grade series, Drew Weing delivers a fresh and funny take on the age old battle between kids and closet dwelling monsters.

Charles just moved to Echo City, and some of his new neighbours give him the creeps. They sneak into his room, steal his toys, and occasionally, they try to eat him.

#### Description:

The place is teeming with monsters! Lucky for Charles, Echo City has Margo Maloo, monster mediator. No matter who's causing trouble, Margo knows exactly what to do - the neighbourhood kids say monsters are afraid of her. It's a good thing, because Echo City's trolls, ogres, and ghosts all have one thing in common: they don't like Charles very much. Cartooning powerhouse Drew Weing delivers a breakthrough graphic novel with this first volume of The Creepy Case Files of Margo Maloo. A favourite within the indie comics scene, Weing is definitely a talent worthy of greater recognition.
