Selling Points:

Join a twelve year old boy's accidental adventure through parallel worlds in this sweeping, new action adventure series.

Description:

When Patrick Griffin passes out after a chemistry experiment gone bad, he wakes up in a strange parallel world, where everyone has huge eyes and tiny ears, and is addicted to smart phones called "binkies." At first, Patrick thinks he's in a weird dream, but he's about to realise he's on an adventure beyond his wildest imagination. Meanwhile, a huge rabbit like creature named Mr. BunBun is roaming through Patrick's hometown, leaving a trail of chaos behind it. Its mission? To save Earth from imminent doom. See what happens when the fate of three worlds lies in the hands of one boy and one gigantic bunny . . . It's Douglas Adams meets Kurt Vonnegut in this hilarious, smart, and mind bending new series. Imagine if 1984 were even remotely funny.
