**Selling Points:**

Seven Seas is pleased to present Alice in the Country of Clover: Knights Knowledge, a new ongoing series that focuses on perhaps the most popular character in the Alice series, the Ace of Hearts.

**Description:**

Alice in the Country of Clover: Knight's Knowledge chronicles the further adventures of Alice as she goes deeper down the rabbit hole. Like the other New York Times bestselling books in the Alice in the Country of Clover series, this new volume is an oversized edition that features impressive artwork and colour pinups. The Ace of Hearts, the Knight of Heart Castle, is Wonderland's resident bad boy and master swordsman. He may be dashing and handsome, but his love represents a danger the likes of which Alice has never seen. Can the cruel yet charming knight win Alice's heart?
